Secretariat of the Vice-Chancellor of Education	The head of the working group for socially responsible education and educational justice in 2022 and 2023.		
Health Institute of Lorestan University of Medical Sciences	Head of health think tank at Lorestan University of Medical Sciences in 2022 and 2023.		

### Skills

- 1 Skill in using the Endnote software
- 2 Skill in using the SPSS software for the analysis of quantitative data
- 3 Skill in using the MAXQDA for the analysis of qualitative data
- Skill in using the Ennote for the reference management
- Skill in using the Camtasia Studio for the virtual training

### Participation in Workshops

- 1 Meta-analysis and systematic review
- 2 Questionnaire design
- 3 The principles and techniques of poster design
- 4 Critical evaluation of scientific articles
- 5 Statistical data analysis
